

MEMORANDUM FOR: DEPUTY FOR POLICY COORDINATION, SE

SUBJECT: Daily Progress Report for Tuesday, 29 April 1952

1. BGFIEND. Arrangements to covertly move Ymer Doda from the Guard Company to Greece for a projected OSO-OPC infiltration mission into Albania were temporarily upset due to the subject's unexpected expulsion from the company by G/C officers who belonged to rival political groups in the CO's absence. However it is believed that he has sought refuge at a nearby civilian refugee camp and steps are being taken to pick him up and attempt to continue his covert movement to Greece. Although still in its preliminary stages of organization, Doda has been selected to head a mission which will attempt to contact in the name of the NCFA, a reported resistance organization known as the "League of the Mountains", which appealed to the NCFA in 1951 for aid and support.

2. BGCONVOY. No report.

3. QKBROIL. No report.

4. JBEDICT. No report.
